

Subject: U.S. Military / Government Quotes

Reference: Request for Quotation

To Our Valued Customer:

CIRCOR Aerospace, Inc. would like to thank you for your interest in our products. We have recently received a request for quote (RFQ) from your company for components being used in a U.S. Military, U.S. Government, or other application referencing a National Stock Number (NSN). In order to provide you with better customer service and improved delivery, CIRCOR Aerospace, Inc. (CAI) will be referring U.S. Military and Government quotes to our channel partner, Transaero.

Our channel partner is currently set up to facilitate U.S. Military and Government orders only. Please be advised that if the part requested will be exported, your quote must be resubmitted back to CAI for review along with complete End User Information.

Thanks for your cooperation.

Please resend your Domestic RFQ to the following CAI designated channel partner:
